## [Areas of Study and Courses](#)

The course unit system is the method for determining progress. Each course unit is considered equivalent to four semester credits. All courses listed below are considered to be one unit, unless otherwise noted. The fall and spring semesters are 14 weeks in length, with an additional one week final exam period; the Interim semester runs for approximately three weeks. Interim course offerings are listed in a separate brochure.

\*Courses identified as part of the Writing Across the Curriculum Program are designated with a (W)
